

FOR STORES AND WHOLESALERS

ABOUT US

Eromed is a Polish producer and a wholesaler of pharmaceutical, cosmetic and stimulating products and medical devices. Founded in 2004 Eromed has become one of the largest wholesalers in this region. With satisfied customers in Europe, North and South America and the Middle East, Asia and Australia. All production takes place in Poland, where production prices are the lowest in the entire European Union, while maintaining all EU standards and regulations.

All products of Eromed are under strict quality control. Buying at Eromed assures you of a high quality end product. All products meet ISO standards, the HACCP system and GMP requirements.
